

INTERSCHOOL OLYMPIAD AND SPORTS FEDERATION

Presents
SCHOOL OF THE YEAR

Where We Bring Education
and Sports Together

What do we do?

01

What we do for Students?

We organize Olympiad exams and sports competitions for students.

02

What we do for school ?

We conduct free workshops in schools to help students better understand the real world and provide a ranking list of schools of your city

Workshops & Industrial Visits

Based on school enrollment, we organize:

Customized Workshops

Tailored sessions on real-world technologies like Artificial Intelligence (AI), Machine Learning (ML), Electronics, and Digital Clocks.

Industrial Visits

Exposure to manufacturing facilities, research centers, and industries to help students experience real-world processes firsthand.

Hands-on Projects

Practical learning through real-world projects to bridge the gap between theory and practice.
